

## **TOPIC: EMOTIONS**

1. Emotion – Initialize letter “E” of both hands making circular movement  
Around the chest
2. Love – Initialize letter “A” of both hands coming across each other at the  
Chest (X)
3. Desire – Initialize letter “D” moving downward the throat
4. Hate – Back of open palm on the neck then moves outward in curve  
motion
5. Want – Open palm of both hands moving backward of the chest forming  
Letter “A”
6. Wish –Open palm moves downward the chest area
7. Prefer – Open palm moves upward the chest
8. Glad – Palm handshape of both hands moves upward of the right side of  
The chest
9. Joy – Initialize letter “J” of both hands moves upward around the stomach
10. Rejoice – Initialize letter “R” of both hands making circular movement  
Around the chest
11. Sulk – Claw handshape moves around the cheek
12. Excite – Open palm of both hands making circular movement around the  
Side of the chest
13. Feel – Middle finger of one hand moves upward the chest
14. Hurt – Two index fingers meet and make circular movement
15. Frighten – Open hand of both hands makes zig-zig movement on both  
Side of the stomach
16. Scare – Open hand of both hands makes zig-zig movement around the  
Chest area
17. Grief – Initialize letter “A” of both hands makes circular movement on the  
Right side of chest
18. Suffer –
19. Disgust – Claw handshape making circular movement around the chest
20. Frustrate – Claw handshape of both hands moves in front of the stomach
21. Sad – Initialize letter “A” or “S” placed on the cheek with emotional look
22. Cry/Weep – Both index fingers moves downward from the eye to the

## **Cheek**

- 23. Tear – One index finger moves downward from the eye to the cheek**
- 24. Angry – Initialize letter “O” placed on the forehead moves outward from  
The forehead**
- 25. Dignified – Initialize letter “D” making upward movement around the  
Chest**
- 26. Endure/Patient – Index finger placed on the mouth**
- 27. Sorry – Initialize letter “S” making circular movement around the chest**
- 28. Shy –**
- 29. Embarrass – Open palm cover all the face area**
- 30. Lonely – Index finger moves downward from the month**
- 31. Flirt –**
- 32. Kiss – Initialize letter “O” moving toward the cheek**
- 33. Disappoint –**
- 34. Satisfy – Palm of both hands moves forward the chest in a parallel  
Movement**
- 35. Attitude – Initialize letter “A” moves around the upside of the chest  
Making circular movement**
- 36. Nature – Initialize letter “N” moves around the upside of the chest making  
Circular movement**
- 37. Character – Initialize letter “C” moves around the upside of the chest  
Making circular movement**
- 38. Personality – Initialize letter “N” making circular motion around the  
Upper side of the chest**
- 39. Proud –**
- 40. Isolate – Initialize letter “I” making circular motion on the left side of the  
Body**
- 41. Smile – Open palm of both hands moves backward of mouth**
- 42. Funny –**
- 43. Quiet – Open palm of both hands move forward from the chest**
- 44. Calm – Open palm of both hands moves downward from the nose**
- 45. Fantastic – Initialize letter “F” of both hands making side-side movement  
Around the side of head**

46. Wonderful – Open palm of both hands making upward downward Movement from the face
47. Mean –
48. Polite/Humble – Open palm of one hand touching the head
49. Relieved – Open palm of both hands moves downward from the chest Area
50. Kindness – Open palm of both hands moving circular motion around the Chest
51. Honest – Initialize letter “H” making straight movement on the stationary Open palm of the other hand
52. Dishonest – Initialize letter “H” making straight movement on the Stationary back open palm of the other hand
53. Insult – Index finger moves upward on the chest
54. Mock – Both index fingers moves backward pointing the chest twice
55. Trouble –
56. Bother –
57. Depress – Initialize letter “D” of both hands moves downward of both Sides of the chest
58. Dizzy – Claw handshape of one hand making straight movement around The forward
59. Pain – Initialize letter “T” of both hands meet and makes straight-----
60. Content –
61. Desperate –
62. Bitter – Index finger makes side-side movement around the mouth
63. Stingy –
64. Appreciate – Initialize letter “A” or “S” makes circular motion around the Chest
65. Encourage – Open palm of both hands make forward movement on the Sides of the chest
66. Behaviour – Open palm of both hand makes circular motion around the Chest
67. Selfish – Initialize letter “A” making circular motion facing wrist
68. Cruel –

- 69. Trick – Initialize letter “A” touching the nose twice
- 70. Nervous –
- 71. Agony –
- 72. Rude –
- 73. Agitate –
- 74. Affect –
- 75. Bad – pen palm of one hand touches the elbow of the other stationary  
Hand
- 76. Desolate – Claw handshape of both hands moves from downward  
On the sides of cheek
- 77. Arouse
- 78. Upset – Open palm moves upward the right side of the chest
- 79. Humiliate –
- 80. Discriminate –
- 81. Motivate – Open palm of both hands meet together and moves in vertical  
motion
- 82. Generous –
- 83. Happy – Open palm of both hands moves upward around the chest
- 84. Haunt –
- 85. Lust – Index finger of one hand making downward movement from the  
Side of mouth
- 86. Scold – Index finger making vertical movement from the body
- 87. Complain – Claw handshape of one hand making backward movement  
To the chest
- 88. Brag – Initialize letter “A” of both hands makes backward movement on  
Both side of the chest
- 89. Deprive – Palm hand of other hand pressing on the top of other closed  
Handshape or “S” letter making downward movement
- 90. Inspire – Open palm of both hands makes forward-backward from the  
Side of the chest
- 91. Prejudice – Open palm of both hands makes circular motion on one side  
The stomach
- 92. Mood – Open palm of both hands makes circular motion on the front of

### **The signer**

**93. Panic –**

**94. Expression – Initialize letter “X” of both hands one moves upward while  
Other moves downward on the face**

**95. Jeopardize – “Break” sign**

**96. Misfortune – Open palm moves from mouth to other stationary palm  
Placed near the chest**

**97. Joke – Open palm of the one hand touches the nose**

**98. Gratitude – Open palm of both hands moves forward from the chest**

**99. Quarrel – Index finger of both hands makes horizontal movement (but  
They don’t meet)**

**100. Tremble – Claw handshape of both hands makes zig-zig movement  
On the side of the chest**

**101. Temper – Initialize letter “X” moves downward on the forehead**

**102. Awful –**

**103. Terrible –**

## **TOPIC: CONNECTING AND RELATING WORDS**

1. Are – Initialize letter “R” moving forward from the mouth
2. Am – Initialize letter “A” moving forward from the mouth
3. Is – Initialize letter “I” moving forward from the mouth
4. Be – Initialize letter “B” moving forward from the mouth
5. Was – Initialize letter “W”-----“S” moving backward toward the shoulder
6. Were – Initialize letter “W”-----“R” moving backward toward the Shoulder
7. Should – Initialize letter “S”-----“D” moving forward from the shoulder
8. Would – Initialize letter “W”-----“D” moving forward from the shoulder
9. Will – Initialize letter “W” moving forward from the shoulder
10. Future – Initialize letter “F” moving forward from the shoulder
11. Have – Bent open palm moving toward the chest
12. And – Open palm on the chest moving away with closed handshape
13. With – Fists of both hands meet together but no movement
14. If – Initialize letter “F” of both hands shaking circular movement
15. Same – Extra index fingers meet together at the center of trunk
16. Also – Extra index fingers meet together at side-side movement
17. Past – Open palm of one hand moving backward of the shoulder once
18. Ago – push open palm backward toward back of shoulder twice
19. Can – Fists of both hands downward movement once
20. Possible – Fists of both hands downward movement twice
21. Maybe – Open palm of both hands facing up moving upward-downward Movement
22. Instead of – Initialize letter “F” of both hands facing down overtaking Each other in front of trunk
23. Despite of – Initialize letter “D” of both hands facing down overtaking Each other in front of trunk
24. Unless – Open palm face , go up with “U” come down with “L”
25. Then – Initialize letter “L” of one hand facing up Other index finger hits thumb and first finger
26. Rather – “R”, then

27. Whether – “W”, then
28. Neither – “N”, then
29. Either – “E”, then
30. Mean – Initialize letter “V” of one hand touch other open palm turning
31. But – Index fingers of both hands coming across at center of trunk then  
Moving away from each other
32. Along – Initialize letter “L” making straight movement on the stationary  
Arm of other hand
33. Than – Hitting edge of fingers with edge of fingers
34. Again – Initialize letter “O” touching the other open palm
35. Ready – Initialize letter “R” of both hands facing each other moving away  
From each other
36. Very – Initialize letter “V” of both hands touching each other at the tips  
Moving away from each other
37. The – Initialize letter “T” moving side-side movement in front of chest
38. Because – Index finger on the forehead move from left to right
39. For – Index finger out from forehead to outward head
40. Although - Initialize letter “L” of both hands coming across then moving  
Away from each other down
41. For instance –
42. Must – Bent index finger or “X” face downward movement
43. Bet – Open palm of both hands facing up then down
44. Seem – Up-down movement of one open palm
45. Contrary –
46. Cannot – Index finger hits the other fingers but special finger
47. However – H handshape come across then move away from each other  
Then make Z movement
48. Recently – Bent index finger moves from backward to forward on the  
Shoulder
49. Always – Open palm making repeated circular movement in front of the  
Chest
50. During – Initialize letter “D” of both hands makes forward movement  
From both sides

- 51. Ion – Initialize letter “I” down the other open palm**
- 52. Ness – Initialize letter “N” down the other open palm**
- 53. Ment – Initialize letter “M” down the other open palm**
